

U.S. Transportation Command Awards Government Payment Services, LLC Third Party Payment Systems Contract

TPPS contract award recognizes the GovPay Team's experience and value to the mission of USTRANSCOM and DFAS

Ponte Vedra Beach, FL – [Government Payment Services, LLC](#) (GovPay) today announced it was awarded the United States Transportation Command (USTRANSCOM) Third Party Payment System (TPPS) contract. The TPPS is designed to streamline billing, collection and payment processes for government transportation and logistics services by upgrading to modern, commercially acceptable practices and ensuring that all transactions are billed and paid through the system.

“The GovPay Team is honored to be selected as USTRANSCOM’s financial processing solution to support its mission-critical logistics,” said **GovPay President Arlen Henock**. “We are committed to delivering an effective, cost-efficient, and trusted solution for the government and taxpayers.”

The GovPay Team consists of industry-leading financial institutions, digital business solution providers, and payment processors that will deliver enhanced payment processing, tracking, accounting and documentation support, providing an integrated solution for the government. Together, the group will improve service to the government while lowering costs for both the government and third-party transportation and service providers using the Third Party Payment System.

Following completion of all legal formalities and the contractually obligated transition and implementation period, GovPay will begin processing payments commencing in the second quarter of 2027.
